What supplies/tricks help keep me organized (e.g., dividers, self-stick notes, ruler)?

What computer programs/apps are helpful to my learning?

C. In the classroom

I work best when I sit:

- at the front in the middle at the back

I read best from:

- whiteboard projector my own copy

I learn best when I work:

- alone with a partner with a group

What type of learning style works best for me? Examples: reading, taking notes, lecture, reading out loud, demonstrations, hands-on activities, discussion, role play/skits, etc.

Think of a great teacher you have had. Describe what made this teacher so terrific.

D. Which directions work best for me?

Place a checkmark beside the strategies that work best for you

- Teacher explains aloud
 Teacher writes directions on the board
 Teacher does example on the board
 Teacher asks another student to demonstrate
 Teacher asks all students to try a sample at their desks
 I read the directions while the teacher reads them
 I read the directions on my own
 Teacher shows me at my desk
 Another student explains a second time and answers my questions
 I watch what another student does
 I try it on my own and then check with the teacher
 I try it on my own and then compare with another student

E. Tricks I use to keep myself focused and on task in class are...

G. Special things that teachers can do to help me learn are...
